HOW TO LEAD W/O LOSING YOUR SOUL FACILITATED BY: DR. TRENACE RICHARDSON

The SOUL CENTRIC LEADERSHIP FRAMEWORK was designed by Dr. Trenace Richardson in an effort to crystalize what makes for a confident leader who truly connects with those he or she influences. After much academic study and extensive leadership experience, she decided the following 7 pillars were essential to ensuring that leaders lead from their soul and truly connect with those they influence. Can you confidently make these seven pillars? If not, let's continue taking this journey together!
